Steps in the Financial Aid Application

To apply for all available federal, state, and institutional financial assistance, you must complete **steps 1-3** of the application process, and **step 4** if applicable, by the deadline date. <http://seattlecentral.edu/admissions/index.php>

Step #2

Submit your 2017-2018 FAFSA to the Federal Processor <http://www.fafsa.gov>

To ensure on time file completion, submit your FAFSA two months prior to deadline dates

If you file your FAFSA online and provide an email address, you will receive an email with a link to your Student Aid Report (SAR) in approximately 5 days.

You will receive a Student Aid Report (SAR) in the mail approximately 4-6 weeks after you submit your paper FAFSA via US mail. If you do not receive your SAR within 6 weeks of submitting your application, call the Federal Processor at 1-800-4FED-AID to check on the status of your application

Step #3

After you receive your 2017-2018 SAR you must either:

1. Respond to the “**2017-2018** Required Actions Letter” sent by email from the Financial Aid Office. The letter states what additional documents are required to complete your file;
OR
1. Contact us in person, by phone or email so we can review your information and tell you what additional documents are required to complete your file. You may also view your file status online at <https://www.fas.ctc.edu/portal7/?col=062>

Examples of additional documents that may be needed to complete your file include, but are not limited to, the following: Institutional Data Sheet, a copy of your and/or your parents 2015 Federal Income Tax transcript, a copy of your Social Security Card, proof of citizenship status, proof of Selective Service registration, Federal verification Worksheet, and/or a copy of your birth certificate or US passport.

Step #4

If you plan to attend Summer quarter 2018 and would like to be considered for financial aid, you must complete and submit a Summer Quarter Supplemental Financial Aid Application to the Financial Aid Office. These applications will be available in the Financial Aid Office beginning April 15, 2018.

Eligibility

Students are eligible for financial aid consideration if they are:

****NOTE:**

- ▶ Attending Seattle Central for the express purpose of obtaining a degree or certificate (minimum length of 3 quarters) at Seattle Central.
- ▶ A U.S. citizen or eligible non citizen.
- ▶ Making satisfactory academic progress as defined by Seattle Central's financial aid Satisfactory Academic Progress criteria, (copies available in the Financial Aid Office.)
- ▶ Not in default on any previous student loans and do not owe a repayment of any previous grant.

- ▶ A high school graduate, GED recipient,

****NOTE**

Students who have the equivalent of a bachelor's degree are not eligible for federal and state grants, and are limited to applying for work-study only.

Types of Aid

Students receive assistance in the form of grants, Direct Federal loans, and work-study. Grants are a form of aid that does not need to be repaid provided students complete their courses. Work-study is a part-time employment program. Both grant and work-study funding are limited. Federal Direct loans must be paid back, so look for other funding sources first. Information about non-federal student loans is available in the Financial Aid Office and on the office web site.

Non-Eligible Classes

The following courses are not eligible for financial aid funding: **Non-Quarterly Correspondence, Adult Basic Education, Running Start, Seminar, Community Education, and High School Completion.**

Application Process

Applying for financial aid is a complicated process. Our office must follow all of the rules and regulations set by the federal and state governments regarding the financial aid application and awarding process. We will not offer any aid until all required documents have been received and reviewed and the student has completed the Admissions process.

We must question any conflicting information we receive and may need to clarify any item on a student's application.

The application process can take up to two months, or even longer, to complete.

PLAN AHEAD!
APPLY EARLY!

File Review

Once a student has completed the application process, we conduct a file review to determine aid eligibility. We may determine at this time that additional information is necessary. Students are responsible for submitting required information in a timely manner. Although students may have met a deadline, awards will be based on available funding at the time the file is complete and correct.

Notification of Eligibility

Students who have been awarded financial aid will receive a Financial Aid Notification letter by email. This letter will direct students to the Student Portal for Financial Aid, which lists the type(s) of aid awarded and the award amount(s) for each quarter. It is **IMPORTANT** that students read their notification letter, as well as the entire notification letter packet, carefully. Students who are determined to be ineligible for aid will be notified by mail.

Cost of Attendance

Seattle Central develops student budgets to estimate the average student's cost of attending for one quarter, two quarters, or the entire 9-month academic year. Budgets include only the costs of the average student; they do not include costs for the student's family.

Estimated Family Contribution (EFC)

Congress mandates the formula used to determine how much the student (and the student's family, if required) could be expected to contribute towards educational costs. Contributions are based on 2015 data. If the household income in 2017 is significantly less than in 2015, students may wish to ask the Financial Aid Office about special conditions consideration after July 18, 2017.

Financial Need

Financial Need is the difference between the average cost of attending SCCC and the student's Estimated Family Contribution (EFC). Cost of Attendance and EFC are described above.

Registration

When your financial aid file is complete, you may register for classes without payment. Your classes will not be dropped for non-payment before you are notified of your eligibility. You will be dropped if your financial aid notification results in a balance due and you do not pay. Verify your financial aid file status online at <http://seattlecentral.edu/finaid/portal.php>

Enrollment Status

Financial aid is awarded at the full-time level of enrollment. Students who register for less than full-time must notify the Financial Aid Office immediately so we can adjust their financial aid awards accordingly. Students who fail to notify us in a timely manner may experience delays in receiving their financial aid funds.

Certain types of financial aid funds are not available to students who register for fewer than 6 credits.
